Leading Edge Business Solutions, LLC

Capability Statement

Business Overview:

Leading Edge Business Solutions, LLC (LEBS) is a woman owned small business that provides technical assistance to small businesses on behalf of city, state and federal agencies as well as large private companies to increase small business and DBE participation on projects. We work in collaboration with agencies and private companies to provide tools and resources needed for small businesses to take advantage of supplier opportunities.

We address the challenges associated with obtaining bonds, access to financing, and we assist with project operations including quality management, project controls, certification, grant research and writing, business development, marketing, and proposal preparation.

Capabilities and Services:

- Small Business Mentoring / Coaching
- Business Development
- Certification & Pre-Qualification Application Preparation
- Proposal Preparation & Management
- Surety Bonds
- Access to Capital
- Grant Research & Writing
- Quality Management
- Project Controls

Differentiators & Expertise:

- LEBS team has over 65 years of combined Design and Construction Experience
- Comprehensive, inception to completion, wrap around support services
- Small Business support, both administratively and operationally
- "Action Plan to Success"® project execution strategy
- Professional Level of Service

Primary Clients:

- Michigan Department of Transportation
- The Chenel Group, LLC
- CINKA Construction and Consulting Services, LLC
- Huffman and Associates
- Nitram Construction
- Sareki Communications
